## BB CREAM

Perfect complexion  
Tensing & smoothing

Your complexion sets the tone for your day and, smoothed and toned, will illuminate your eyes, leaving plenty of room for your smile.

This BB cream soothes, smooths and perfectly consolidates the complexion.

We entrust you with our confidential recipe, composed of innovative and natural active ingredients: Toulouse 'Symbiolette®' Violet (collagen booster), organic camomile, organic blueberries, Gatuline,®(anti-ageing). Our BB cream is of universal shade and is suitable for all skin types.

Much love has gone into our eco-responsible scientific research: The violets at the heart of this cream are hand-cultivated in our Toulouse gardens, the water comes from the Pyrenees and 98% of our ingredients are of natural origin. Our products are carefully formulated and packaged in the Occitan region, in the south of France. Our secrets, created just for you, are packaged with sugar cane tubes made of recycled cardboard printed with vegetable inks.

### **Because it all starts with family history.**

The Toulouse violet has unique properties that have remained a mystery until today. Our passion and desire to share its secrets have brought us to you ... For more than 30 years, we have been cultivating the traditional Toulouse Violet, and with the know-how of French craftsmanship have created these rich and generous products with Violet at their heart. Fragile, airy, rare and authentic, the Violet holds exceptional dermatological virtues that we have investigated over more than seven years of scientific research. We have the great pleasure of passing on its benefits to you.

### **Use**

The BB cream is applied on the face and neck as a foundation before applying make-up.

Universal shade.
