## FACE CREAM

Daily Beauty  
Tensing & Moisturiser

Because your skin needs daily care and hydration to prevent or correct the marks of time, steal a few minutes from your busy day to freshen up and brighten your face. This face cream provides exceptional daily care. Day after day, your skin is nourished, moisturised, revitalised and luminous. Suitable for all skin types.

We entrust you with our unique recipe, composed of innovative and natural active ingredients: 'Symbiolette®' Toulouse Violet (collagen booster), bees' wax, organic glycerine, organic rose, Lily oil (nourishing), Gatuline® (anti-ageing).

Much love has gone into our eco-responsible scientific research: The violets at the heart of this cream are hand-cultivated in our Toulouse garden, the water comes from the Pyrenees and 99% of our ingredients are of natural origin. Our products are carefully formulated and packaged in the Occitan region, in the south of France. Our products are packaged with sugar cane tubes and recycled cardboard printed with vegetable inks.

### **Because it all starts with family history.**

The Violette de Toulouse has unique properties that remain mysterious even today. Our passion and desire to share its secrets have brought us to you ... For more than 30 years, we have been cultivating the traditional Toulouse Violet, and with the expertise of French craftsmanship have created these rich and generous products with Violet at their heart. Fragile, airy, rare and authentic, the Violet holds exceptional dermatological virtues that we have investigated over more than seven years of scientific research. We have the great pleasure of passing on its benefits to you.

### **Use**

On clean, dry skin, apply the cream with your fingertips all over the face and neck, massaging from bottom to top.

Precede your facial care ritual with the lotion for a deep booster effect.
